

## Questionnaire for the evaluation of didactic classes

- The teacher was prepared for the class.
- The teacher used class time effectively (did not shorten the classes, did not prolong the classes, was not late for the classes).
- The teacher demonstrated an adequate level of personal culture.
- The teacher was available to students during office hours.
- The course programme in the syllabus was fully covered.
- The classes were conducted in a clear and understandable way.
- I have been assessed in accordance with the criteria defined in the course syllabus.
- The course content and methods applied enabled to achieve learning outcomes.

### Scale

Note: Content in brackets written in blue should appear in new windows when you hover the cursor over a given point.

- 1 – I completely disagree
- 2 – I disagree
- 3 - neither yes nor no
- 5 – I agree
- 6 – I completely agree
- I do not have any opinion

### Technical notes:

- The evaluator of didactic classes can enter a descriptive comment.
- The evaluator should be able to hide the visibility of the comment from the teacher.
